31 March 2010

REFEREED PUBLISHED PAPERS

Crossley, D.J. (2008). Tradeable energy efficiency certificates in Australia. *Energy Efficiency* **1**, 267–281. [Download](#)

Vine, E., Hamrin, J., Eyre, N., Crossley, D., Maloney, M. and Watt, G. (2003). Public policy analysis of energy efficiency and load management in changing electricity businesses. *Energy Policy* **31**, 405-430. [Download](#)

Vine, E., Hamrin, J., Eyre, N., Crossley, D., Maloney, M. and Watt, G. (2002). Energy efficiency and load management under changing electricity market conditions. *Proceedings of the ACEEE 2002 Summer Study on Energy Efficiency in Buildings*. Pacific Grove, CA, USA, ACEE, pp 5.293-5.304. [Download](#).

Adams, J., Crossley, D. and Parker, L. (1995). Innovative DSM on the North Coast: Improving customer service reducing T&D costs. *Transactions of the International Symposium on Energy, Environment and Economics*. Vermont, Victoria, Australia, Research Publications Pty Ltd, pp 71-76.

Crossley D. J. (1995). Role of demand management and energy efficiency in the competitive electricity market. *Transactions of the International Symposium on Energy, Environment and Economics*. Vermont, Victoria, Australia, Research Publications Pty Ltd, pp 297-304.

Crossley D. J. (1995). DSM and energy efficiency in the Australian competitive electricity market. *Proceedings of the 4th International Energy Efficiency and DSM Conference*. Bala Cynwyd, Pennsylvania, USA, SRC International, pp 37-46.

Crossley D. J. (1994). Opportunities for demand management and energy efficiency in the competitive electricity market. *Proceedings of the Second National Demand Management and Energy Efficiency Conference*. Port Melbourne, Victoria, Australia, Convention Network, pp 29-39.

Gordon, N., Crossley, D., Kearney, B. and Sheard, G. (1994). The Sydney CBD commercial sector program. *Proceedings of the Second National Demand Management and Energy Efficiency Conference*. Port Melbourne, Victoria, Australia, Convention Network, pp 405-410.

Chatfield, M., Crossley, D. J., Gallagher, J. and Stobie, M. (1992). Barriers in electricity utilities to the implementation of demand management. *Proceedings of the 1st National Demand Management Conference: Focus for the Future*. Melbourne, Electricity Supply Association of Australia, pp 157-166.

Crossley, D. J. and Gallagher, J. (1992). Opportunities for demand management from the development of the National Grid. *Proceedings of the 1st National Demand Management Conference: Focus for the Future*. Melbourne, Electricity Supply Association of Australia, pp 694-703.

Crossley, D. J. and Hooker, C. A. (1987). Retrospective scenario analysis and government energy planning: Toward an effective synergy. *Energy Systems and Policy* **10**, 93-115. [Download](#)

Crossley, D. J. (1983). Identifying barriers to the success of consumer energy conservation policies. *Energy - The International Journal* **8**, 533-546. [Download](#)

REFEREED PUBLISHED PAPERS (continued)

Kalma, J. D. and Crossley, D. J. (1982). Inequities in domestic energy use: some determinants. *Energy Policy* **10**, 233-243. [Download](#)

Crossley, D. J., Dick, J. and Mardon, C. J. (1980). Developing energy strategies for Australia. *Search* **11**:4, 98-108.

Crossley, D. J. (1979). Energy and society: A new approach. *Social Alternatives* **1**(5), 2-6.

Crossley, D. J. (1979). The role of popularization campaigns in energy conservation. *Energy Policy* **7**:1, 57-68. [Download](#)

NON-REFEREED PUBLISHED PAPERS

Crossley, D. J. (2009). White certificates in Australia: States take the lead. *DSM Spotlight*, No 32, 7 pp. [Download](#).

Crossley, D. J. (2004). Increasing the sustainability of electricity networks through demand side management. *19th World Energy Congress*, Sydney, 5-9 September. 12 pp. [Download](#).

Crossley, D. (2003). Negawatthandel in Australien. *Energiedepesche* No 2, 35.

Crossley, D. J. (2000). Developing mechanisms for promoting DSM and energy efficiency in changing electricity businesses. *Proceedings of the 38th Annual Conference of the Australian & New Zealand Solar Energy Society: Solar 2000*. Brisbane, ANZSES, 1-12. [Download](#).

Crossley, D. J. and Engleryd, A. (1997). DSM and energy efficiency for changing electricity business environments. *Proceedings of the DA/DSM DistribuTECH Europe 97 Conference*. Utrecht, the Netherlands, PenWell Energy & Utility Group (CD-ROM). 7 pp.

Crossley, D. J. (1993). Decision time for demand management. *On Demand* **2**:4, 7.

Crossley, D.J. (1992). Barriers in utilities to demand management. *Electrical Engineer* **69**:7, 34-35.

Crossley, D. J. , Henderson, G. and Gordon, N. (1992). State report: Demand management in New South Wales. *Proceedings of the 1st National Demand Management Conference: Focus for the Future*. Melbourne, Electricity Supply Association of Australia, pp 42-50.

Crossley D. J. (1992). Paying for energy efficiency. *On Demand* **1**:6, 7.

Crossley, D. J. (1985). The utility of scenario research to government energy planners. *Proceedings of National Energy Research, Development and Demonstration Program Workshop on Energy Scenario Research in Australia*. Canberra, CSIRO Institute of Energy and Earth Resources, pp 87-92.

Crossley, D. J. and Buxton, M. (1983). Home energy conservation/fuel poverty/job creation programs in Victoria, Australia. *Proceedings of the Families and Energy Conference*, East Lansing, Michigan, USA, Michigan State University (unpaginated).

Crossley, D. J. (1983). The Dutch public discussion on energy. *Lloyds Energy Journal* **5**:4, 43.

Crossley, D. J. and Austin, A. (1982). Victorian councils lead in promoting conservation. *Australian Planner* **20**, 105-106.

Crossley, D. J. (1980). Alternative energy strategies. *Energy Resources and Technology* **2**:6, 37.

Crossley, D. J. (1980). Energy saving without tears depends on changing habits. *Royal Australian Planning Institute Journal* **18**:4, 130-133.

Crossley, D. J. (1979). The policies of Federal and State governments on the issue of Australia's energy resources. *Royal Australian Planning Institute Journal* **17**:1, 24-25.

NON-REFEREED PUBLISHED PAPERS (continued)

Crossley, D. J. (1979). Social consequences of energy policy. *Fourth New Zealand Energy Conference. Supplementary Papers. Forum 1.* Auckland, New Zealand, Department of Continuing Education, University of Auckland (unpaginated).

Crossley, D. J. (1979). Energy and society: An annotated bibliography. *Social Alternatives* **1**(5), 92-95.

Crossley, D. J. (1978). Householders' attitudes, knowledge and behaviour regarding energy conservation. *Energy Conservation in the Built Environment: Papers.* Canberra, Department of Environment, Housing and Community Development, pp 239-260.

BOOKS, BOOK CHAPTERS AND THESES

EPI Consultants [D. J Crossley, A. Austin and D. Siemon, authors] (1986). *Energy Management in Local Government*. [A series of nine booklets prepared for the National Energy Management Program.] Canberra, Commonwealth of Australia.

Crossley, D. J. (1982). Energy and social science research in Australia: Separate realities? In: Black, J. (ed.) *Liquid Fuels in Australia: A Social Science Research Perspective*. Sydney, Pergamon Press, pp 159-167.

Crossley, D. J. (1982). *Social Aspects of Energy Use and Conservation, and Energy Policy*. PhD Thesis. Brisbane, School of Australian Environmental Studies, Griffith University. 561 pp.

Crossley, D. J. (1981). Rationale for energy conservation through urban planning. In: Waddell, R. (ed) *Local Planning for Energy Conservation*. Sydney, Department of General Studies, University of New South Wales, pp 2-12.

Crossley, D. J. and Eite, B. (1981 and 1983). *Helping to Save Our Earth*. [A series of six books for children on environmental issues.] Melbourne, Greenhouse Press.

Crossley, D. J. (1979). Energy policy and people. In: Diesendorf, M. (ed.) *Energy and People: Social Implications of Different Energy Futures*. Canberra, Society for Social Responsibility in Science (ACT), pp 76-84.

Smallalternatives Working Group [P. Bycroft, P. Cook, D. Crossley, M. Maher, R. Sale, authors] (1979). *Smallalternatives Personal Guide to Saving Energy and Money*. Revised edition. Sydney, Second Back Row Press. 63 pp.

Smallalternatives Working Group [P. Bycroft, P. Cook, D. Crossley, M. Maher, R. Sale, authors] (1977). *Smallalternatives Personal Guide to Saving Energy and Money*. First edition. Brisbane, the Group. 28 pp.

PUBLISHED REPORTS

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2009). *Overview of APEC Energy Working Group Projects - Stage 3: Project Outcomes*. Singapore, APEC Secretariat. 110 pp. [Download](#)

Boveland, F., Coleman, P.E., Crossley, D., Hu, Y.R., Jollands, N., Kobayashi, K., Tran, T. L. and Wong, Y.W. (2009). *Peer Review on Energy Efficiency in Chile: Final Report*. Canberra, APEC Energy Working Group. 48 pp. [Download](#)

Crossley, D., Fernandez, I., Huang, Y., Kobayashi, K. and Sundaraj, C. (2009). *Peer Review on Energy Efficiency in New Zealand: Final Report*. Canberra, APEC Energy Working Group. 33 pp. [Download](#)

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2009). *Independent Assessment of the ECOTECH Implementation of APEC Working Groups and SOM Taskforces: Energy Working Group*. Singapore, APEC Secretariat. 52 pp. [Download](#)

Crossley, D.J. (2008). *The Role of Advanced Metering and Load Control in Supporting Electricity Networks*. International Energy Agency Demand Side Management Programme, Task XV Research Report No 5. Hornsby Heights, NSW, Australia, Energy Futures Australia Pty Ltd. 94 pp. [Download](#)

Crossley, D.J. (2008). *Evaluation and Acquisition of Network-driven DSM Resources*. International Energy Agency Demand Side Management Programme, Task XV Research Report No 4. Second edition. Hornsby Heights, NSW, Australia, Energy Futures Australia Pty Ltd. 40 pp. [Download](#)

Crossley, D.J. (2008). *Incorporation of DSM Measures into Network Planning*. International Energy Agency Demand Side Management Programme, Task XV Research Report No 3. Second edition. Hornsby Heights, NSW, Australia, Energy Futures Australia Pty Ltd. 94 pp. [Download](#)

Crossley, D.J. (2008). *Assessment and Development of Network-driven Demand-side Management Measures*. International Energy Agency Demand Side Management Programme, Task XV Research Report No 2. Second edition. Hornsby Heights, NSW, Australia, Energy Futures Australia Pty Ltd. 64 pp. [Download](#)

Crossley, D.J. (2008). *Worldwide Survey of Network-driven Demand-side Management Projects*. International Energy Agency Demand Side Management Programme, Task XV Research Report No 1. Hornsby Heights, NSW, Australia, Energy Futures Australia Pty Ltd. 415 pp. [Download](#)

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2008). *Overview of APEC Energy Working Group Projects - Stage 2: Project Outcomes*. Canberra, Department of Resources, Energy and Tourism. 156 pp. [Download](#)

Crossley, D. J. (2008). *Time-varying Calculation of GHG Emissions from Supplied Electricity*. Submission prepared for the Department of Climate Change. Hornsby Heights, NSW, Australia, Energy Futures Australia Pty Ltd. 5 pp. [Download](#)

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2008). *Advanced Metering for Energy Supply in Australia*. Sydney, Total Environment Centre. 98 pp. [Download](#)

PUBLISHED REPORTS (continued)

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2007). *Overview of APEC Energy Working Group Projects*. Prepared for the 8th Meeting of APEC Energy Ministers. Canberra, Department of Industry, Tourism and Resources. 97 pp. [Download](#)

Crossley, D.J. (2007). *Evaluation and Acquisition of Network-driven DSM Resources*. International Energy Agency Demand Side Management Programme, Task XV Research Report No 4. Hornsby Heights, NSW, Australia, Energy Futures Australia Pty Ltd. 30 pp. [Download](#)

Crossley, D.J. (2007). *Incorporation of DSM Measures into Network Planning*. International Energy Agency Demand Side Management Programme, Task XV Research Report No 3. Hornsby Heights, NSW, Australia, Energy Futures Australia Pty Ltd. 69 pp. [Download](#)

Energy Futures Australia Pty Ltd [D. J. Crossley and G. Watt, authors] (2006). *Case Study: Organizational Decision Making on Energy Efficiency*. Report prepared for the International Energy Agency Market Failures in Energy Efficiency Study. 22 pp. [Download](#).

Crossley, D.J. (2006). *Assessment and Development of Network-driven Demand-side Management Measures*. International Energy Agency Demand Side Management Programme, Task XV Research Report No 2. Hornsby Heights, NSW, Australia, Energy Futures Australia Pty Ltd. 57 pp. [Download](#)

Crossley, D.J. (2006). *Worldwide Survey of Network-driven Demand-side Management Projects*. International Energy Agency Demand Side Management Programme, Task XV Research Report No 1. Hornsby Heights, NSW, Australia, Energy Futures Australia Pty Ltd. 278 pp. [Download](#)

Crossley, D. J. (2006). *Review of Load Management and Demand Response in Australia*. Hornsby Heights, NSW, Australia, Energy Futures Australia Pty Ltd. 77 pp. [Download](#)

Energy Futures Australia Pty Ltd and Danish Management Group (Thailand) Co Ltd [D. J. Crossley, P.J. du Pont and M. Kumpengsath, authors] (2005). *Thailand's Energy Efficiency Revolving Fund - A Case Study*. Report prepared for the APEC Energy Working Group. Canberra, Department of Industry, Tourism and Resources. 26 pp. [Download](#)

Business Council for Sustainable Energy [S. Schuck, D.J. Crossley and G. Watt, consultants] (2005). *Waste to Energy: A Guide for Local Authorities*. Carlton, Victoria, BCSE. 60 pp. [Download](#)

Business Council for Sustainable Energy [P. Cowley, D.J. Crossley, G. Stapleton and G. Watt, consultants] (2004). *The Australian Photovoltaic Industry Roadmap*. Carlton, Victoria, BCSE. 120 pp. [Download](#)

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2004). *Demand Management Activities Applicable to Electricity Networks*. Report prepared for the Demand Management and Planning Project undertaken jointly by the NSW Department of Infrastructure, Planning and Natural Resources, EnergyAustralia and TransGrid. Sydney, DIPNR. 90 pp. [Download](#)

PUBLISHED REPORTS (continued)

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2002). *Mechanisms for Promoting Societal Demand Management*. Report prepared for the NSW Independent Pricing and Regulatory Tribunal. Sydney, IPART. 52 pp. [Download](#)

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2002). *Statutory Review of the Sustainable Energy Development Act*. Statutory report to the NSW Minister of Energy prepared for the NSW Sustainable Energy Development Authority. 35 pp. [Download](#)

Crossley, D., Maloney, M. and Watt, G. (2000). *Developing Mechanisms for Promoting DSM and Energy Efficiency in Changing Electricity Businesses*. International Energy Agency Demand Side Management Programme, Task VI Research Report No 3. Hornsby Heights, NSW, Australia, Energy Futures Australia Pty Ltd. 255 pp. [Download](#)

Crossley, D., Hamrin, J., Vine, E. and Eyre, N. (1999). *Public Policy Implications of Mechanisms for Promoting Energy Efficiency and Load Management in Changing Electricity Businesses*. International Energy Agency Demand Side Management Programme, Task VI Research Report No 2. Hornsby Heights, NSW, Australia, Energy Futures Australia Pty Ltd. 79 pp. [Download](#)

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (1999). *Code of Practice: Demand Management for Electricity Distributors*. Prepared for the NSW Department of Energy and approved by the NSW Minister for Energy. Sydney, DoE. 27 pp. [Download](#)

Crossley, D., Dyhr-Mikkelsen, K. and Maloney, M. (1998). *Existing Mechanisms for Promoting DSM and Energy Efficiency in Selected Countries*. International Energy Agency Demand Side Management Programme, Task VI Research Report No 1. Hornsby Heights, NSW, Australia, Energy Futures Australia Pty Ltd. 338 pp. [Download](#)

Sustainable Energy Fund Working Group [D. J. Crossley and M. Sniffin, authors] (1995). *Final Report to the Treasurer and Minister for Energy*. Sydney, NSW Treasury. 95 pp.

National Grid Management Council [D. J. Crossley, editor] (1994). *Demand Management Opportunities in the Competitive Electricity Market*. Volumes 1 and 2. Melbourne, NGMC.

The Electricity Council of New South Wales [D. J. Crossley, editor] (1992). *Efficient Electricity Strategy 1992 to 1997*. Sydney, the Council. 15 pp.

Crossley, D. J., McKenzie, W.M., Parin, J. and Taylor, N. (1986). *Predicting Householders' Responses to Energy Conservation Policies*. Environmental Paper No 5. Melbourne, Graduate School of Environmental Science, Monash University. 127 pp.

Department of Industry, Technology and Resources [I. Sheehy, D. J. Crossley and V. Basharen, authors] (1985). *Energy Use and Supply in Victoria 1982/83*. Energy Data Report No 1. Melbourne, DITR. 65 pp.

Victorian Energy Planning Program [D. J. Crossley, editor] (1985). *Victoria's Energy: Strategy and Policy Options*. Melbourne, Government of Victoria. 96 pp.

PUBLISHED REPORTS (continued)

Crossley, D. J. (1984). *Consumer Energy Conservation Policies in Australia*. Consumer Energy Conservation Policies Reports Vol XI. Berlin, Institute for Environment and Society, Science Center Berlin. 129 pp.

Austin, A., Crossley, D. J. and Barfus, R. (1983). *Energy Conservation Guidelines for Local Government*. Melbourne, Municipal Association of Victoria. 213 pp.

Manton, B. E., Andrews, J., Chandler, C., Crossley, D. J., Doughty, B. W., Farrow, M., Fuller, R. F., Mardon, C. J., Sheridan, J. and Wilmot, J. G. (1982). *Towards A Sustainable Energy Future for Victoria. Research Report 1: An Energy Efficiency Scenario*. Sunday Ebbott Energy Project. Melbourne, Australian Conservation Foundation.

Crossley, D. J. and Sørensen, B. (1982). *Creating Energy Futures: A Short Guide to Energy Planning*. Environmental Discussion Paper No 3. Melbourne, Graduate School of Environmental Science, Monash University. 30 pp.

Crossley, D. J. (1981). *Non-technical Barriers to Energy Conservation by Individual Householders*. Environmental Paper No 3. Melbourne, Graduate School of Environmental Science, Monash University. 115 pp.

Crossley, D. J. (1980). *Energy Policy in Australia: The Social/Institutional Context and Procedures for Policy Formulation*. Second edition. AES Working Paper 6/78. Brisbane, School of Australian Environmental Studies, Griffith University. 116 pp.

Crossley, D. J. (1980). *Social Factors Affecting Energy Use and Conservation in the Home*. AES Working Paper 1/80. Brisbane, School of Australian Environmental Studies, Griffith University. 151 pp.

Crossley, D. J. (1979). *Energy Use and Human Lifestyles*. AES Working Paper 7/79. Brisbane, School of Australian Environmental Studies, Griffith University. 157 pp.

Crossley, D. J. (1978). *Energy Policy in Australia: The Social/Institutional Context and Procedures for Policy Formulation*. AES Working Paper 6/78. Brisbane, School of Australian Environmental Studies, Griffith University.

Crossley, D. J. (1977). *Popularising Energy Conservation*. Research Report 8/77. Brisbane, School of Australian Environmental Studies, Griffith University. 50pp.

UNPUBLISHED REPORTS

Note: Most of these reports were prepared specifically for clients of my consultancy firms, Energy Futures Australia Pty Ltd and EPI Consultants, and are not publicly available.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2009). *Peer Review of the Cost Effectiveness Methodology for the Climate Change Review*. Report prepared for the Independent Pricing and Regulatory Tribunal of New South Wales. 8 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2008). *Greenhouse Impact Assessment of the Shoalhaven Transfers Project*. Report prepared for Sydney Catchment Authority and New South Wales Department of Commerce. 21 pp.

Energy Strategies Pty Ltd and Energy Futures Australia Pty Ltd [D. J. Crossley and H. Saddler authors] (2008). *Demand Side Management in the Energy Sector*. Report prepared for Department of Environment, Water, Heritage and the Arts. 74 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2007). *Review of the Victorian Renewable Energy Support Fund*. Report prepared for Sustainability Victoria. 41 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2006). *Market for Climate Change Response Services*. Report prepared for a confidential client. 6 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2006). *Strategy for [the Client's] Load Management Business*. Report prepared for a confidential client. 79 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2006). *Sustainability Policy Objectives for the Introduction of Advanced Metering Infrastructure in Victoria*. Report prepared for Sustainability Victoria. 12 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2006). *International and Australian Experience in Network Demand Management*. Report prepared for the Queensland Joint Working Initiative on Network Demand Management. 53 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, H. Outhred and A. Baitch authors] (2006). *Options for Demand Side Response in the National Electricity Market: Initial Overview Report*. Report prepared for the Ministerial Council on Energy Demand Side Response Working Group. 99 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2006). *Independent Peer Review of the Brighter Future Solar Cities Detailed Business Case*. Report prepared for the Sydney Olympic Park Authority. 12 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2006). *Energy Challenges for Solar Cities*. Report prepared for the Sydney Olympic Park Authority. 14 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2006). *ESD Compliance Assessment of the Shoalhaven Transfer Project: Progress Report*. Report prepared for NSW Department of Commerce and the Sydney Catchment Authority. 8 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2005). *Accreditation of [the Technology] Under the GGAS Scheme: Initial Analysis of Benefits and Costs*. Report prepared for a confidential client. 6 pp.

UNPUBLISHED REPORTS (continued)

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2004). *Increasing the Level of DSM in Vietnam through DSM Regulation*. Report prepared for Electricity of Vietnam. 26 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2004). *Review of SEDA's Investment Function and Outcomes: Supplementary Report*. Report prepared for the NSW Department of Energy, Utilities and Sustainability. 18 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2004). *Review of SEDA's Investment Function and Outcomes*. Second edition. Report prepared for the NSW Department of Energy, Utilities and Sustainability. 115 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, G. Stapleton and G. N. Watt, authors] (2004). *PV Connection Agreements in NSW*. Report prepared for the NSW Department of Energy, Utilities and Sustainability. 21 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2003). *Review of SEDA's Investment Function and Outcomes*. Report prepared for the NSW Sustainable Energy Development Authority. 110 pp.

Crossley, D. and Chambers, G. (2003). *Snowy Corporatisation Handover Report*. Report prepared for NSW Treasury. 400 pp.

ERM Energy [S. Wilson, F. Gooneratne, Vu Kim Thoa and D. J. Crossley, authors] (2002). *Program Business Plan: Commercial Energy Efficiency Pilot Program*. Report prepared for Ministry of Industry, Government of Vietnam, funded by the World Bank. 20 pp.

ERM Energy [S. Wilson, F. Gooneratne, Vu Kim Thoa and D. J. Crossley, authors] (2002). *Detailed Documentation: Commercial Energy Efficiency Pilot Program*. Report prepared for Ministry of Industry, Government of Vietnam, funded by the World Bank. 130 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2002). *Possible New Business Opportunities for [the Client]*. Report prepared for a confidential client. 12 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2002). *Strategic Review of SEDA's Planning Methodologies*. Report prepared for the NSW Sustainable Energy Development Authority. 14 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2002). *Strategic Review of SEDA's Performance Measurement Processes*. Report prepared for the NSW Sustainable Energy Development Authority. 23 pp.

Environmental Resources Management [S. Wilson, F. Gooneratne, V. K. Thoa and D. J. Crossley, authors] (2002). *Detailed Documentation: Commercial Energy Efficiency Pilot Program*. Report prepared for Ministry of Industry, Government of Vietnam. 165 pp.

Environmental Resources Management [D. Adams and D. J. Crossley, authors] (2002). *Renewable Energy, Bioenergy and Wind Energy Projects*. Report prepared for Western Power Corporation.

UNPUBLISHED REPORTS (continued)

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2002). *Review of the Sustainable Energy Research and Development Fund*. Report prepared for the NSW Ministry of Energy and Utilities. 61pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, author] (2001). *Education and Training about Solar Photovoltaic Technologies in the Pacific Islands*. Report prepared for Tokyo Electric Power Company. 15 pp.

Energy Futures Australia Pty Ltd [D. J. Crossley, G. N. Watt and M. Poole, authors] (1999). *Powercor Greenhouse Strategy Annual Report 1999*. Report prepared for Powercor Ltd for submission to the NSW Department of Energy. 5 pp.

SRC International Pty Ltd [J. Fazio and D. J. Crossley, authors] (1997). *Greenhouse Gas Emission Reduction Strategy*. Report prepared for Ergon Energy Pty Ltd for submission to the NSW Department of Energy. 20 pp.

Crossley, D.J. (1994). *Demand Side Management in Australia*. Paper prepared for the APEC Inter-Utility DSM Liaison Group. May. 8 pp.

EPI Consultants [D. J. Crossley, author] (1988). *Opportunities for Energy Management in Melbourne City Council*. Report prepared for Melbourne City Council. 15 pp.

EPI Consultants [D. J. Crossley, author] (1988). *Energy Manager's Handbook*. Prepared for Melbourne City Council. 11 pp.

EPI Consultants [D. J. Crossley, author] (1988). *Energy Use by Melbourne City Council*. Report prepared for Melbourne City Council. 32 pp.

Department of Minerals and Energy, Victoria [D. J. Crossley, author] (1984). *Victorian Government Energy Policy and Priorities for Energy Research, Development and Demonstration*. Presentation to meeting of the National Energy Research, Development and Demonstration Council, Melbourne 23 June.

Crossley, D. J. (1977). *Social Factors and an Australian National Energy Policy*. Paper submitted to the National Energy Advisory Committee. Brisbane. 15 pp.
